Due: March 31

In class we learned how to use App Inventor. I want everyone to follow the “Broadcast Hub” tutorial they have on their web site. (<http://explore.appinventor.mit.edu/content/broadcasthub>) .

We will review these in class on March 31st. Please be prepared to present what you have made.

If you do not have an android phone you can use the emulator they have provided for download online.
